

## 'ANCIENT VOICES' by Jeanne Hampshire

'Ancient Voices' is a powerful and evocative journey to a deep ancestral place within us all. The songs and chants are original compositions rooted in the heartbeat pulse of the drone, flowing and shifting from devotional simplicity to the compelling vibration of shamanic rhythms. Cascading and soaring vocal harmonies are interwoven with a rich tapestry of instruments featuring the zither, harmonium, cello, bells, didgeridoo and percussion.

Please detach order form and complete details,  
enclose cheque made payable to Jeanne Hampshire and send to:  
Jeanne Hampshire, Moppadi, Trethevy, Tintagel, Cornwall PL34 OBG
